# Setup Guide for USB Connection

1. Preparation

1-1. Preparation for Mobile Print Application

Please confirm the version of "Panasonic Mobile Print". (This function can be used with Ver. 2.1.0 or later.)

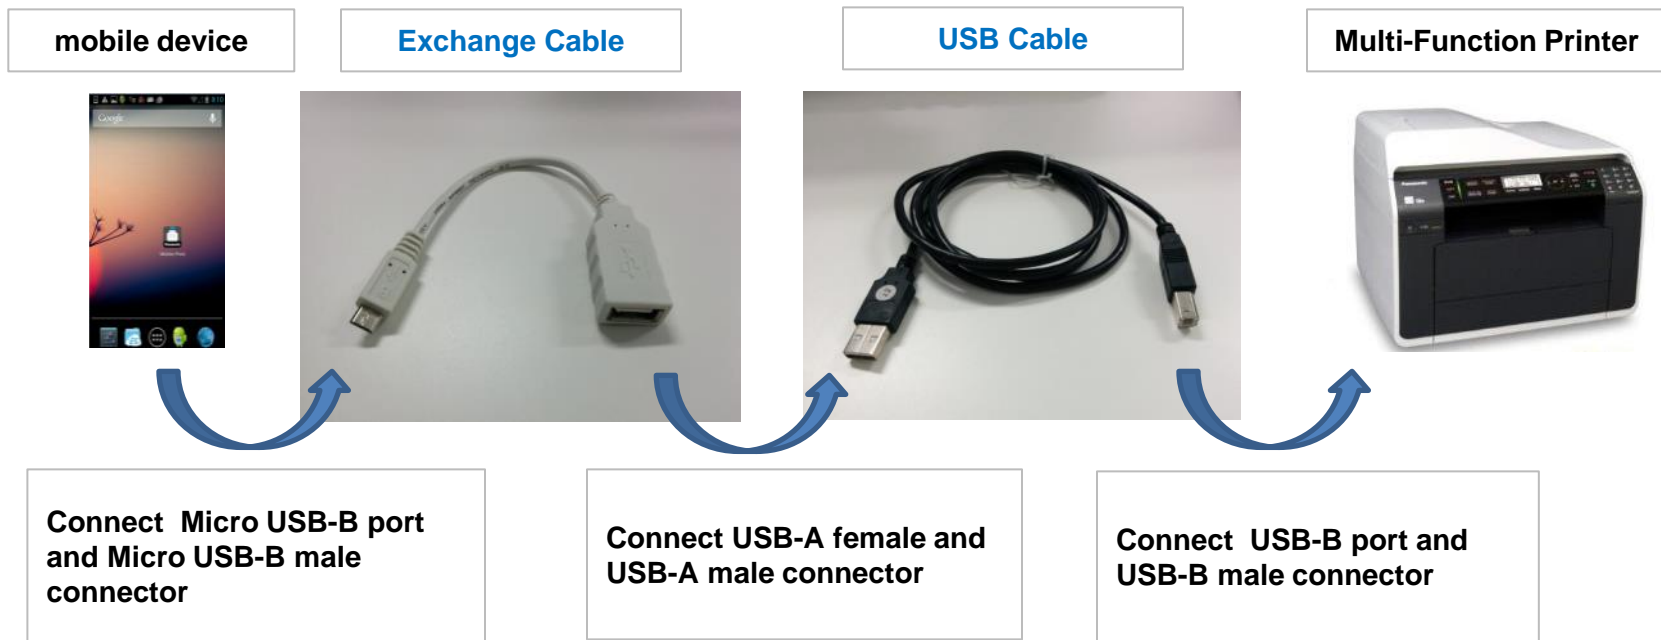

To enable this feature, you need to install the "Mobile Print" (Panasonic application) on your mobile device (only Android™ 4.0 to 5.0).

Setup Guide for USB Connection

1-2. Preparation in Connecting the devices

Connect Multi-Function Printer to mobile device by Exchange Cable and USB Cable.

mobile device	Exchange Cable	USB Cable	Multi-Function Printer

Connect Micro USB-B port and Micro USB-B male connector

Connect USB-A female and USB-A male connector

Connect USB-B port and USB-B male connector

*Note for "Exchange Cable:
Please use the Exchange Cable which mentioned on the box that
"This adaptor will only work with devices that support USB OTG."
Please consult your documentation and/ or your service provider to ensure that your device
does support USB OTG functionality.
